

Product Information

See Spot Go

Description:

See Spot Go is a heavy-duty, aerosol **Spot Remover**.

Characteristics:

Function: Remove grease, tar, coffee, cola, urine, polish, ink, lipstick and blood

Surfaces: Carpets and upholstery

Formulation: Aerosol

Color: Colorless

Fragrance: Unscented

Shelf Life: 5 years

Key Benefits:

- Extremely easy-to-use aerosol that effectively removes both oil- and water-based stains from interior fabrics
- Removes stains without scrubbing or saturating fabric surfaces
- Formulated without methylene chloride to ensure worker safety

How To Use:

1. If fresh spill, blot any excess liquid from surface with absorbent cloth.
2. Test area for color fastness before spraying entire surface.
3. Spray the stain thoroughly, without saturating fabric.
4. Blot the stain firmly with absorbent cloth, repeating until stain is gone.
5. On stubborn stains, agitation with a soft bristled brush may be necessary.
6. One stain is removed, swab area with a clean, wet cloth, then blot dry.
