### Description:

Odor Eliminator - Fresh & Clean is a fogging, aerosol **Odor Eliminator**.

### Characteristics:

Function: Eliminate odors  
Surfaces: Interior compartment  
Formulation: Aerosol  
Color: Colorless  
Fragrance: Herbal  
Shelf Life: 5 years

### Specifications:

VOC Compliant: Currently not regulated  
Phosphate-FREE: Yes  
NPE-Free: Yes  
Biodegradable: No  
Body Shop Safe: Yes

### Part Number(s):

578834

### Key Benefits:

- Fogging aerosol that safely eliminates offensive odors in minutes
- Contains Ordenone®, a proven deodorizer that encapsulates airborne malodor molecules and those embedded in interior surfaces
- Deodorizes entire interior compartment without leaving residue
- Formulated without methylene chloride to ensure worker safety

### How To Use:

1. Remove all debris from the vehicle.
2. Clean the interior surfaces of the vehicle.
3. Close all windows and doors.
4. Remove top and shake container well.
5. Place container on floor or in cup holder.
6. While pointing container away from your face, depress the locking trigger to release contents.
7. Exit vehicle and close doors.
8. Keep doors closed for 10 minutes, then open for one minute.
