

Select Exterior Bio-Solvent

Description:

A ready-to-use body prep solvent uniquely blended from renewable resources and is VOC compliant.

Cleaning Strength:

Part Number(s):

782688: 1 Gallon

782686: 5 Gallon

Specifications:

VOC Compliant

Body Shop Safe

Phosphate Free

NPE Free

Characteristics

Function:	Removes petroleum-based contaminants
Surfaces:	Exterior paint and chrome
Formulation:	Bio-solvent blend
Flammability:	Combustible
Color:	Gold
Fragrance:	Lavender Lemon

Key Benefits

- Effectively removes grease, tar, oil and other petroleum deposits from exterior paint & chrome without scrubbing.
- Bio-solvent blended formula can be easily rinsed with water.
- Safe to use, non-flammable formula is made primarily from renewable resources and will not damage cleaning surfaces. Plus, it's safer for employees than traditional petroleum-based products.
- Will not damage plastic or rubber surfaces.

How to use

- 1 Spray product on exterior surface to be cleaned.
- 2 Allow to dwell 2-3 minutes.
- 3 Thoroughly pressure rinse areas where product was applied.
