Characteristics

- Function:** Enhance gloss and create protective barrier
- Surfaces:** Paint
- Formulation:** Water-based solution
- Color:** Orange
- Fragrance:** Mango

Key Benefits

- Spray on-wipe off formula is fast and easy-to-use
- Quickly removes light surface contaminants
- Renews wax shine and maintains "just waxed look" without any white residue
- Versatile product that can be used on paint, chrome, vinyl and glass
- Provides moderate protection against UV rays

How to use

- 1 For best results, surface should be cool to the touch. Do not apply in direct sunlight.
- 2 Spray directly on paint or chrome.
- 3 Wipe off with clean, soft cloth or microfiber towel.
